Annual census.

OCT -6 1910

Mr. Almond R. Miller,
Superintendent Kaw Indian School,
Washunga, Oklahoma.

Sir:

The Office has received your report of the census of the Kaw Indians for the fiscal year ending June 30, 1910. This report shows the names of one hundred and sixty-six persons, but the numbers placed by you in the left-hand column indicate that there are two hundred and thirty-one. These numbers are not consecutively arranged, and many omissions are noticed, such as after number 10 there is no number 11 or 12; after number 40, Mitchell Chouteau is given the number 240. It is noticed, also, that numbers 124 and 163 are marked "deceased."

Please explain why the list forwarded by you is numbered in the manner indicated, also, why the names of deceased Indians are taken up on the current census roll.

A supply of the new census blanks, short form now in use, is inclosed herewith.

Very respectfully,

(Signed) Wm. R. Layne.
Acting Chief Land Division.
